

1) Look at these two patterns. Explain how they are growing.

1	4	7	10	13	15	18
---	---	---	----	----	----	----

Each term is bigger by three. It is a + 3 rule

---

11	21	31	41	51	61	71
----	----	----	----	----	----	----

Each term is bigger by ten. It is a + 10 rule

---

2) Work out the rule for this pattern. Fill in the missing terms.

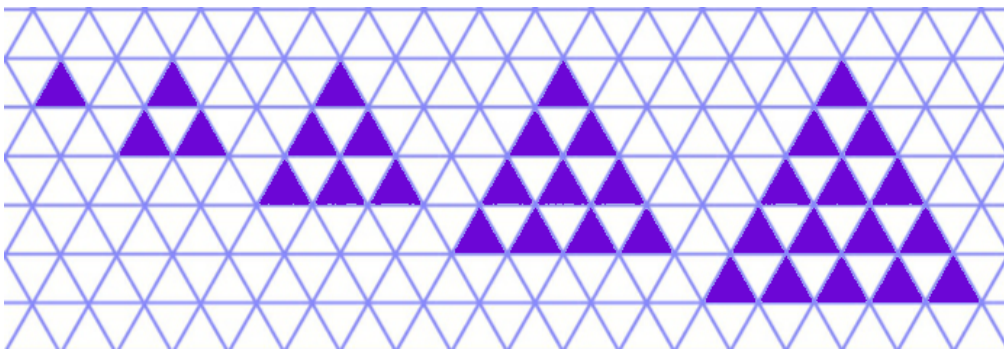

1	5	9	13	17	21	25
---	---	---	----	----	----	----

3) Work out the rule for this pattern. Will 25 be a part of this pattern?

0	3	6	9	12	15	18
---	---	---	---	----	----	----

Yes / No

4) How many purple triangles will be in the next term of this pattern? 15

5) Look at how this pattern grows. Draw Term 5.
