

Extra Challenge #1

I always choose two different flavours.

If I have a chocolate scoop I want a strawberry on top of it.

If I have a vanilla scoop I want a cherry on top of it.

How many combinations can I make with no fruit

Extra Challenge #2

I like all ice cream combinations.

If I have a strawberry scoop I want a cherry on top of it.

If I have a vanilla scoop I want a strawberry on top of it.

How many combinations can I make that will include a strawberry?
